

Alpha Kappa Alpha Sorority, Incorporated

SIGMA EPSILON OMEGA

May 10, 2019

Alpha Kappa Alpha Sorority, Incorporated (AKA), is an international service organization that was founded on the campus of Howard University in Washington, D.C. in 1908. It is the oldest Greek-lettered organization established by African-American college-educated women. Sigma Epsilon Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated is celebrating 28 years of volunteering service in the Warner Robins Communities. Under our new International Program, “Exemplifying Excellence through Sustainable Service,” we are proud to implement “CAP” (College Admissions Process). The new program will recognize the heightened needs of our youth.

CAP will impact the lives of our junior or senior high school boys and girls. It will give them the opportunity to receive academic enrichment and life skills training to support their journey to college. It is a step-by-step approach (STEPP) that will help high school seniors effectively and efficiently navigate the college enrollment process at any college or university — HBCUs and non-HBCUs. STEPP will include locating scholarships and other financial aid, helping students with ACT and SAT preparation and fees, and ensuring that students compile a portfolio of information regarding the colleges to which they have applied along with the results obtained. It will provide leadership development opportunities, civic engagement, and enhanced character building for each participant. Over the next year, the ladies of Sigma Epsilon Omega will incorporate these youth into a comprehensive mentorship program. We will offer workshops and seminars that will positively affect character and leadership skills.

There will be an initial introduction meeting on June 1, 2019, at 10 a.m. The meeting will be held at Central Georgia Technical College, 80 Cohen Walker Dr., (Building G) Warner Robins, GA 31088. Sigma Epsilon Omega would like to meet the parents and participants. We are requesting parents to complete the informational form to allow their youth to participate in the CAP program.

If you have any questions or concerns, please contact Jessica Sayles at 478-320-4327. Forms should be returned to: Sigma Epsilon Omega Chapter, c/o Jessica Sayles, P.O.
